PREREQUISITES

CLARIFAI

The screenshot displays the Clarifai web application interface. The browser's address bar shows the URL `clarifai.com/djnsur0hkaj/apps`. The page header includes navigation links for "My Apps" and "Community", along with buttons for "Switch to Legacy Portal", "Create an App", and a user profile icon labeled "AK".

On the left side, the user profile for "Arun K" (username: `djnsur0hkaj`) is shown, featuring a circular profile picture with the initials "AK" and an "Edit Profile" button.

The main content area is titled "Apps" and lists a single application: "djnsur0hkaj/my-first-application". This application is marked as "Updated at Nov 06, 2022".

On the right side, a dropdown menu is open, displaying options for "My Apps", "Collaborations", and "Starred". Below these, a "PERSONAL SETTINGS" section includes links for "Account", "Billing", "Security", and "Sign Out".

The bottom of the image shows a Windows taskbar with various application icons and a system tray indicating a temperature of 31°C, partly sunny weather, and the time 14:55.
